Subject: 4130 tube
Importance: High

Found a supplier that can send us a 4130 tube 3.25od x .375w x 129" in 5-7days @ 1250.23ea. This didn't have to be heat treated, did it? Do we go ahead an order it?
Also, I sent the request for the H900 (tolerances, starightness, eccentricity) to my vender and they should be able to get back to us before the end of week.

Thank You,
Linda Lacelle
